

~ Career Opportunities ~

for Registered Nurses

full-time / part-time / PRN

locations throughout North Carolina

BACKGROUND

Liberty Healthcare Corporation of North Carolina is actively hiring Registered Nurses for a number of **“Nurse Assessor”** positions throughout North Carolina.

Nurse Assessors will have overall responsibility for conducting assessments of individuals' eligibility for Medicaid Personal Care Services. These assessments will be administered in individual's homes as well as adult care homes in each respective Nurse Assessor's local area.

These are field-based positions. Nurse Assessors spend significant time traveling to assigned locations within their respective immediate regions, with limited time spent in their own home offices. Nurse Assessors will report to a Regional Assessment Manager. A wireless-capable tablet will be provided to record assessments. Reliable transportation and ability to initially pay travel costs is required. Travel mileage is reimbursed.

JOB RESPONSIBILITIES OF THESE POSITIONS

- Conducts new independent assessments, annual reassessments, change of status assessments, and change of provider assessments in both recipient homes and adult care home settings to determine the recipient's need for personal assistance in activities of daily living (ADLs);
- Evaluates the recipient's living environment for health and safety issues;
- Participates in mediations and appeal hearings via telephone as needed;
- Accurately processes health data, including diagnoses, medications and dosages, and electronically submits completed assessments in a timely manner;
- Participates in Independent Assessment Project training at least four times per year;
- Completes annual/biannual web-based training, CPR certification and health screening as required by Liberty;
- Proactively anticipates and prevents problems that could result in customer dissatisfaction or failure to deliver contracted services;
- Responsible to recognize risk and implement plans to control and avoid such risk.

EMPLOYMENT

Hiring the preeminent candidates, investing in their continued success, and rewarding their ongoing contributions are at the core of our belief system.

Liberty offers Nurse Assessors the following:

- **Full-time and part-time schedules - as well as PRN opportunities**
- **Starting salary of \$60,000 for full-time employees – this salary will be prorated for part-time and \$30.00 per hour for PRN**
- **Bonus potential based on productivity and quality factors**
- **Family-friendly, Monday – Friday daytime hours**
- **Ability to work out of your home office, with required local travel**
- **Benefits for full-time employees**
