

**Verification for Intense Review  
(Respond only to the questions that pertain to this individual)**

<b>Participant Name:</b>		<b>Date Questionnaire Submitted:</b>	
<b>Name/Relationship of Respondent:</b>		<b>Phone/Email of Respondent:</b>	

**Intense for Medical**

What Chronic or acute medical condition does the individual have that requires one to one staffing, i.e.: Diagnosis	
What are the symptoms/risks that requires a need for a 1:1 staffing ratio to provide frequent interventions and constant monitoring? (for example: Fall risks, seizures, choking/aspiration)	
What interventions are provided or are recommended for each of these symptoms throughout the day and how often.	
Has there been any hospitalizations over the last year related to these medical conditions? If so, please give the date of admission, length of stay, reason and outcome?	

**Attach medical documentation that supports the need for Extraordinary Medical Level of Support  
(For Example: Relevant Provider Logs, ER Reports, Diagnostic Reports, Hospital Discharge Summary)**

**Intense for Behavior**

**Have Pending Felony Charges**

What is the pending felony charge(s), not yet adjudicated, related to the serious injury or harm of another person?

What are the triggers that precipitate the behaviors?

What interventions are provided, or are recommended, to prevent re-offending?  
How often throughout the day are interventions provided?

**Attach legal documentation that supports the pending felony charges**

**On Probation for a Recent Felony Conviction**

What is the felony conviction related to the serious injury or harm of another person the individual received? When were they placed on probation (must be in the last 3 years)?

What are the triggers that precipitate the behaviors?

What interventions are provided, or are recommended, to prevent re-offending?  
How often throughout the day are interventions provided?

**Attach legal documentation that supports the individual being on probation for a felony conviction**

**On Parole from Incarceration for a Felony Conviction**

What felony was the individual convicted of that related to the serious injury or harm of another person? When were they placed on parole after being incarcerated (must be within the last 3 years)?

What are the triggers that precipitate the behaviors?

What interventions are provided, or are recommended, to prevent re-offending? How often throughout the day are interventions provided?

**Attach legal documentation that supports the individual being on parole from incarceration for a felony conviction**

**Released for Time-Served from Incarceration for a Felony Conviction**

What felony was the individual convicted of that related to the serious injury or harm of another person? When were they released from incarceration with time-served (must be within the last 3 years)?

What are the triggers that precipitate the behaviors?

What interventions are provided, or are recommended, to prevent re-offending? How often throughout the day are interventions provided?

**Attach legal documentation that supports the individual's felony conviction and time-served**

**Have a History of Predatory Sexual Activity**

What pending misdemeanor or felony charge (not yet adjudicated), or misdemeanor or felony conviction related to a predatory sexual offense does the participant have?

What are the triggers that precipitate the behaviors?

What interventions are provided, or are recommended, to prevent re-offending?  
How often throughout the day are interventions provided?

**Attach Legal Documentation that Supports the Individual's Pending Charges or Convictions Related to a Predatory Sexual Offense.**

**Attach a Psychosexual Assessment, completed in the last 3 years by an appropriate professional, that demonstrates the participant is at high risk to re-offend.**

**Have a History of Serious Aggressive Behaviors**

Does the individual have a sustained history of serious aggressive behavior that causes harm to self or others? List the serious aggressive behaviors, including the effect on the health and safety of self, others and/or property.

Explain how the serious aggressive behaviors and/or threats of aggression cause the person to reasonably fear bodily harm.

IDAHO DEPARTMENT OF  
HEALTH & WELFARE

Explain how the individual has the capability to carry out such threats of serious aggressive behavior.	
If applicable, list incidents of serious aggressive behavior that caused harm to self or others within the last 12 months, include dates and the outcome of each incident.	
What are the triggers that precipitate serious aggressive behaviors?	
What interventions are provided, or are recommended, to decrease the aggressive behavior(s)? How often throughout the day are interventions provided?
